

SDo/TKi

8 October 2018

Dear Parents/Carers,

I am writing to invite you to our GCSE Information/Revision Evening on Thursday **18 October 2018 at 6pm**. As I am sure you are well aware, this is a vital time for your son/daughter. Our Year 11 students have mock examinations starting w/c 19 November to help in the preparation for final exams in the summer.

The aim of the event is to keep you well informed and provide you with some strategies to support your son/daughter with their exam preparation. On the evening we will give you an overview of GCSE and technical award examinations, our routines in school for preparing students and a session with the heads of English, Maths and Science.

It would be most helpful that students attend this evening with a parent so that work done in specific subjects during this evening are of most benefit and can be done in a classroom.

For information, we will be holding a Year 11 Parents Evening on **Wednesday 7 November 2018**. You will be able to have individual conversations with all subject leaders informing you how your child is progressing and identifying areas for further development. More details regarding this event will follow in due course.

We very much look forward to welcoming you on this evening, however if you have any questions regarding the evening please feel free to contact me at sdouglas@sybilandrewsacademy.co.uk.

Yours sincerely

Shaun Douglas
Vice Principal
