

SDo/TKi

16 October 2018

Dear Parent/Carer,

As we approach the end of the first half term we hope that your sons/daughters have had a great experience in enrichment. We have started the year giving all students the opportunity to participate in extra-curricular activities. As you may be aware we give older year groups the choice to either remain in school and participate or go home.

From after half term we give year 7 the same choice. For those who catch a bus, we are unable to alter the departure times so these students must remain in school, in an enrichment.

Please indicate your preference on the form below. We would appreciate a reply by Thursday 18 October 2018.

Yours faithfully,

Mr. S. Douglas
Vice Principal
