

## Year 11- Revision Resources

Hello all,

It looks likely that you will not have to sit exams, however:

- a. You will need the skills and knowledge to help you in the next step
- b. You may wish to take the exam in Autumn, if you are unhappy with your final grade.

So, with that in mind, we have set some tasks for you to do!

Best wishes,

Miss Aldridge and Mr Hope

*P.S. From Miss Aldridge: I would like to say I am SO sorry I couldn't say goodbye to my class in the last lesson, but I am having to self-isolate.*

*I wish you so much happiness, health and wellbeing for the future! I wish I could have said a proper goodbye, because you guys were, and still are, amazing!*

### TASKS:

1. Cold War timeline- Try to recreate your own version, or print this one out and cut it up before trying to reorganise.
2. Medicine and Anglo-Saxon/Norman board game- Try this one with your family, or use questions to help review knowledge.
3. Medicine- Have a go at this "highlighter heads" sheet, where you colour the person you think it should be.
4. Medicine- Use the "Describe 2 features" sheet to create flashcards.

If you're planning to continue studying History, then this **free** course from The Open University looks good too!
