

BT/cd/mathsassessment

2nd December 2016

Dear Parents/Carers,

Your child will have an end of term Maths assessment in the week commencing 12th December. They will have been issued with a revision list.

We advise, and it will be your child's homework, that they use www.vle.mathswatch.com to revise.

To log in they should use their school e-mail and their Times Table Rock Stars password which is in the format ruler '+3 numerical digits'. If for any reason your child does not have this password, please ask them to speak to their Maths teacher.

More specifically, the process they should follow is:

- 1) Choose a topic from the revision list and note the video clip reference.
- 2) Find the video on the menu and watch it, making notes. A template for this can be found at: <https://drive.google.com/file/d/0B-aAwvpZUvIVbUY5Wldrd1FvMVk/view>
- 3) Answer the interactive questions on the computer.
- 4) For further practice, they can complete the worksheet and then mark it to allow for corrections and improvements.

Yours sincerely,

Ben Tanner
Head of Mathematics
