

AP/cd/move

24 November 2016

Dear Parents/Carers,

I write with the latest update on the move, and in particular with information regarding our telephone number and car parking.

The move is on track. As you might expect, it has been a busy week with staff co-ordinating the removal of furniture to the new site during the evening whilst trying to keep things as normal as possible during the school day. I think when you see the school in its entirety, you will be impressed. It has come on a long way since our open evening and with the new furniture is really taking shape. I want also to take a moment to thank Suffolk County Council. They have been fantastic in the support they have given us, and without them our mid-term move would not be possible. Thank you also to those of you that have offered to help us move in; it is wonderful to have such support.

Phone number

In terms of the details, most of the logistical considerations have been covered in my previous letter. There has been one significant change, however. Our new telephone number is now 01284-413400. This is different to the number previously stated. I apologise for any confusion that this may have caused. Please do update your records.

Car park

Many of you will also have seen that the road leading to the school is now open. It is possible to park in the school car park when visiting, something that parents of pupils in year 9 might want to consider in relation to our Options Evening on the 1st December. Although we anticipate that most pupils will either walk or cycle to school, if it is necessary to drop your child off, please do so in this area as we are keen to avoid causing any congestion on Lady Miriam Way and Rougham Tower Avenue itself.

Breakfast Club

On Monday and Tuesday next week we will not be offering our usual Breakfast Club activities. This is purely to ensure that the kitchen staff have time to establish themselves in their new environment. I'm sure that you can appreciate that organising a completely new kitchen is a big task. The Breakfast Club will function as normal from Wednesday. Sorry for any inconvenience.

Finally, I will take the opportunity to remind you that we open on Monday 28th November at the same time as normal, but in a very different building.

Yours sincerely

Andy Prestoe
Principal

Rougham Tower Avenue, Bury St Edmunds, Suffolk, IP32 7QB T: 01284 413400 E: SAA@sybilandrewsacademy.co.uk
