You need to create a page that has researched one of the following designers who have been an icon over the last years in the industry.

Have a look, see which one you like the most. Then complete the following:

- **Find 3 images of the designers work**
- **Answer the questions about their work from the box at the bottom of the page.**

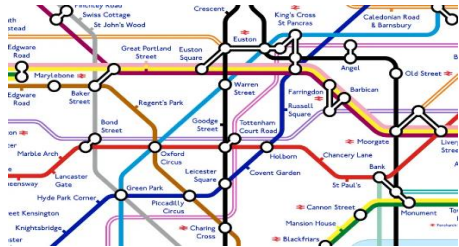

If you want to do it on a computer, then you can—or by hand, it's up to you!

## Harry Beck

He created the famous London Underground Tube map!

Norman Foster  
Famous British architect, designed the Gherkin!

## Sir Alec Issigonis

Famous for creating the original drawing of the mini!

## William Morris

Famous for the revival of the textile industry in Britain!

## Vivienne Westwood

Famous for being one of the most unconventional designers in fashion!

## Rennie Mackintosh

Famous for being part of the modern Movement.

1. What influenced the designer? E.g. what materials, patterns, textures or machines that they have used?
2. What shapes and colours have been used? Do you think they are good or bad and why do think this?
3. What do you think the best thing is about the designers work and why?
4. What do you think the worst thing is about the designers work and why?

## Challenge +

Try and model a piece of furniture e.g. a chair that uses some of the designs your designer has.

Remember, you can cut, fold, roll and stick pieces of paper together to create the piece of furniture! Look at the image on this page as an example.
