

# **Year 11 French Foundation/Higher**

## **Weeks 3 and 4**

**Objective : To practise all  
themes from the AQA GCSE  
French course.**

1. Open the 'GCSE French Home Study Pack' at either foundation or higher level. Either select two skill areas (listening/reading etc) and work through the exercises this week and the remainder next week OR work on some exercises from each skill area both this week and next. Please feel free to send some work to your teacher for feedback. Please label the work with the name of the pack, the skill and question number.
2. Log on to [www.memrise.com](http://www.memrise.com) (AQA New GCSE French from 2016) and practise some of the topic vocabulary from each of the themes.
3. Work through some of the exam practice questions in the work packs you collected from your teacher e.g. 90-word tasks, Theme 1 questions.
4. Revise the questions and answers from your General Conversation booklet. Use Mrs Frankland's recordings of the questions to help make it more of a conversation!
