

Year 7 Closure work week commencing 23rd March 2020

Title: Who was Henry VIII? (Learning Objective on slide 7)

1. Read through the first 4 slides-did you know any of these facts about Henry VIII?
2. Slides 8 and 9 contain two inference grids. You can either print these and complete on paper, or write notes in your exercise book or on paper. Answer the two questions
 - What can you infer from the image? (Infer means work out, what does it tell you?)
 - Is there any information that you still do not know?
 - Challenge: Any questions you could ask to possibly find out more?
3. Slide 10 and 11 - In your book/paper, create a table like below. Using the information on slides 10 and 11 fill out the table with positives and negatives about Henry's character and personality.

Positive things about Henry VIII	Negative things about Henry VIII

4. Slide 12-Watch the English Heritage video clip, does this tell us anything we don't already know about Henry? Add some notes to your table.
5. With the knowledge you have gathered so far, write a paragraph to answer the following: How successful a leader do you think Henry VIII would have been and why?
