

# RE, Philosophy and Ethics (RPE) –

## Closure work for Year 8

You are working through this topic of Religion in the Contemporary World and you have, so far, considered a range of key words, definitions and concepts, related to this topic. We are going to complete a quick knowledge assessment this week, followed by some tasks. You'll be aware that the work for RPE, per week, should not take you any longer than about 1 hour to complete.

### Tasks:

1. Complete this knowledge quiz, using this link:

2. Quite a few weeks ago, you considered how Britain might be becoming an Athiest (non-religious) country and some of you produced news articles in response to this idea. We are continuing with this idea this week. Copy the key words and definitions:

**Secular** – Non-religious

**Secularisation** – The process of something becoming non-religious, over time (For example, a Baptist Church becoming a spa hotel or supermarket)

**Secularity** – The separation of religion from the state (For example, religion not being involved in matters of policy making, etc.)

**3. Create a cartoon strip/ story board/ illustration, which explains either: secular, secularisation or secularity. Then, explain your piece of work and how it relates to one of those key words.**

**4. Stretch and Challenge (optional): 'There is no doubt that people are becoming less religious.' Discuss .**

**a.** Respond to this statement, with one point to agree

*On the one hand...*

**b.** Respond to this statement, with one point to disagree

*On the other hand ...*

**c.** Conclude with an overall conclusion

*It could be concluded that...*
