

Music Work: Set Work Revision – Week Commencing Monday 23rd March

1) What is a leitmotif?

2) Why do some films use an orchestra and some films use sampled sounds?

3) Explain the difference between diegetic music and background music/underscoring.

4) What is a cue?

5) What is a fanfare? Explain how a fanfare is used in Star Wars. Comment on the harmony used and what it implies to the audience.

6) What is happening on screen whilst this extract of music is playing? Can you explain why this might be happening? Why do the visuals and music work together?

7) Name the chord played by the full orchestra in bar 1.
Which notes are used most commonly throughout bars 1-3?
Name a rhythmic feature of the music in bars 1-3.
Describe the way the brass parts enter.
What interval is used frequently?

8) Using the musical elements describe how the music suits the mood of the film at this point.

Musical Feature	Mood/Atmosphere
