16 October 2018

Dear Parents/Carers,

On Wednesday 7 November 2017, we will be holding a Parents Evening for our Year 11 Students. Following feedback from parents we have made the decision to replace Pupil Appraisal Days with parents evening so that subject teachers can directly report on progress. The evening will consist of a 5 minute appointment with teachers which students and parents are encouraged to attend.

The evening will be an opportunity to find out how you can help and support your son/daughter and develop a relationship with their subject teachers. Year 11 is a vital year and it is important that you have all the information available to you to enable your son/daughter to achieve their full potential in their upcoming GCSE examinations.

In addition to the above, you will have the opportunity on 7 November to meet with Sixth Form providers from the local area who will be able discuss the options available to students at the end of Year 11.

The Parents Evening Booking system will open on Wednesday 17 October at midday until midday on Monday 5 November. It is suggested that you make your appointment with all the teachers your son/daughter is taught by. The evening will run from 4.30pm through till 7.30pm.

We look forward to seeing you there, however if you have any queries in the meantime please contact Mrs Dawson at cdawson@sybilandrewsacademy.co.uk.

Yours sincerely

James Mason
Vice Principal
