

Our Ref: TKi/JEd

9 October 2020

Dear Parent/Carer

This week we saw Year 7 students having their flu immunisations; this is the first year it has been offered to this year group.

We have also this week supported Hello Yellow with our non-uniform day that took place today. We know that Covid 19 has raised the profile of mental health in adolescents and we were delighted that so many students and staff supported the event raising awareness of this very important issue. We raised over £500.

Our Year 9 students were competing on Thursday evening in the Inter House football competition. This was an evenly contested event with a large turnout of years 9 students. It was an event where everyone was having a really enjoyable evening of football which saw Garrett win overall. This follows on from the Year 7 Inter House football which was also won by Garrett.

Next week on Thursday we are holding our Meet The Tutor evening which is an opportunity for all parents in all year groups to have an appointment with the form tutor and their son/daughter to discuss how they have settled in to the new term. If you have not yet booked your appointment please use the link below to do so.

Finally with regard to our Covid 19 measures our school badges are part of our risk assessment to ensure we can identify year group bubbles. If you son or daughter orders a replacement badge via your tutor please note this will be charged at 90p via parent pay. Also as the cold weather sets in we have reminded students that a warm and waterproof coat will be needed as our one way system and outside social spaces will still be used unless there is wet weather.

Wishing you a good weekend, keep safe and well.

Yours sincerely

Miss T King  
Principal

### **Dates for your Diary:-**
