

## P.E Coats

*Embroidery · Print · Promotional*

### How to measure your chest

Measure around the fullest part of the chest, making sure that the tape is level under the arms and across the shoulder blades. Make sure you are relaxed when measuring to get a true measurement.

### Ordering Junior sizes

Please order the normal size (Age) that you would normally buy for your child. If you normally buy a larger size than their actual age from High Street stores, please apply the same process when ordering these garments.
