

Our Ref: TKi/JEd

11 February 2021

Dear Parent/Carer,

We are approaching the time for your child to make important decisions about the subjects that they will follow for the next two years, when they will be in Year 10 and Year 11.

We have been pleased to offer a broad curriculum in Year 7-9 but it is now the time for students to choose the subjects they would like to further specialise in. We are delighted to be able to enhance our subject offer this year.

To ensure that you and your child are as well informed we have attached the options booklet with all the initial details and will provide the following events:

Event	Date
Student Assembly on Teams	12 th February 2021
Student Tutor Time Videos by Year 11 students on Teams	8 th -12 th February 2021
Parent and Student Options Information Evening	Tuesday 23 rd February 2021 at 18.00 on Zoom
Options Video Link and Link to MS Form for Option Choices emailed home	Wednesday 24 th February 2021

The Options Information Evening for parents and students will take place virtually and we will write separately with information about how to access this. On the evening we will also share subject information videos created by our Heads of Subject to explain key details about their subject.

Final option decisions will be submitted electronically by Friday 5th March 2021.

We will write separately with further information about the submission process.

Yours sincerely

Ben Tanner
Head of Key stage 4
