21 January 2020

Dear Parent/Carer,

## **YEAR 11 MOCK RESULTS AND EXAMS**

Year 11 mock exam results will be released through Go4schools reports on Friday 22<sup>nd</sup> January 2021 at 13.00 to parents and student accounts.

Students worked extremely hard during this examination series. Since the previous baseline mocks in English, Maths and Science sat in September, students have made significant progress in these subjects. The mock results represent the grade students achieved in the examination before Christmas in each subject. They do not represent what students are expected to achieve in the summer assessment period.

**Please note, mocks have only been internally moderated at this stage and not all aspects of the courses have been assessed across every subject.**

We would encourage you to book appointments at Parents Evening on 4<sup>th</sup> February to meet with subject specialists to discuss next steps. These appointments can be made by logging onto the system here: <https://sybilrews.schoolcloud.co.uk/>

The Government has recently launched a consultation around how GCSE grades will be awarded in the summer; the survey runs until 29<sup>th</sup> January and can be found here:- <https://www.gov.uk/government/consultations/consultation-on-how-gcse-as-and-a-level-grades-should-be-awarded-in-summer-2021>

When the consultation closes, and we are given firm plans we will be in touch again.

I hope that your son/daughter is finding the live learning a positive experience. We are certainly delighted with their application and commitment.

Yours sincerely

Ben Tanner  
Assistant Principal- Head of Key Stage 4
