

Our Ref: TKi/JEd

15 July 2021

Dear Staff, Parents and Carers,

I can't believe that we are once again at the end of another academic year. It has continued to be challenging, and along with my fellow Governors I wanted to share our gratitude for the last year, and our optimism for when school restarts. With the easing of restrictions, we are hopeful that September will feel a bit more normal, however it will remain important to maintain a safe environment for staff and students. We are conscious that upon return in September it will take time and commitment to help the students to continue catching up academically but equally important to continue rebuilding students' confidence, resilience and well-being.

The Governing Body would like to acknowledge and thank all the staff for their amazing efforts this year. Teachers, learning support staff, administrative team, site staff and all of those who keep the school running every day have been inspirational in their dedication to the wellbeing, safety and educational progress for all our students.

We would like to congratulate our students who have responded so positively to new ways of working and have demonstrated determination to maintain their success and development. Thanks must also be extended to all the parents and carers who have shown their support for our school team and their children.

As another year ends, we say farewell to those students moving on. We wish them and their families every success for the next stage of their journey, they have missed so much this past year, but we hope this will not detract from the great memories they have made.

Finally, I hope you all have an enjoyable summer break and look forward to welcoming you back in September.

Take care and stay safe.

Paul Jay
Chair of Governors
