Dear Parent/Carer

The government requires all schools to test students for Covid-19 on site before returning to school after the Christmas break. To allow this to happen we will have to stagger the return date for students with testing taking place on Tuesday 4th and Wednesday 5th January 2022. Please see overleaf for specific dates/times for testing of students.

Students should arrive for testing at the allocated time for their tutor group. They can come in non-uniform and should report to Skyliner which is our test centre.

Students should not attend the test centre if they have any symptoms of Covid-19.

Students will wait outside and staff will escort them in for testing. They must wear a mask and maintain social distancing on the way to and from school and in the test centre. Once tested, students can leave and go straight home. They will be given a letter explaining how you can register the test in order to receive results.

Please note, any student who has had a positive COVID test on or after 5th October should not test in school on 4th or 5th January as they should wait 90 days after a positive test before re-testing. If you have previously given consent for your son/daughter to be tested on site and you would like to withdraw this consent, please email saa@sybilandrewsacademy.co.uk before 4th January 2022.

If your child/ren would usually attend by bus or taxi we hope that you will be able to arrange transport on this occasion. However please email saa@sybilandrewsacademy.co.uk or call the school office if this is not the case.

After testing has taken place, the first day back for all students will be Thursday 6th January 2022.

Thank you for your support and cooperation.

Yours sincerely

T King
Headteacher
