Parents of Sybil Andrews Academy Students

4th February 2022

Invitation letter for parents of children aged 12 to 15 years of age

Dear parent,

COVID-19 vaccination for children aged 12 to 15 years of age

I am writing to inform you that we will be offering COVID-19 vaccinations (Pfizer- BioNTech Comirnaty) in At Sybil Andrews on 2nd & 3rd March 2022. I would like to ask if you wish to give your consent for your child to receive a first or second dose of the vaccine.

This vaccination will be free of charge and our highest priority is making it easy for children to access vaccination in a safe and suitable environment.

The main purpose of the COVID-19 school age vaccination programme is to provide protection to the children who receive the vaccine and may help to reduce transmission of COVID-19 in the wider population.

Your child may receive a dose providing they are at least 12 weeks post a positive COVID-19 test, second doses can be given from 12 weeks after the 1st.

During the vaccination delivery we will maintain the range of measures we have in place to keep you safe from COVID-19.

Please indicate your consent by returning the attached form to a member of staff. By consenting you will be helping to play your part in reducing the risk of COVID-19 spreading.

If you wish to be present whilst your child is vaccinated or you wish to discuss vaccination with an experienced clinician, you can access pre-booked and walk-in vaccination provision via www.sneevaccine.com which shows details of the clinics running across Suffolk.

Best wishes,

Michael Round

West Suffolk COVID Vaccine Taskforce Leader
