

Our Ref: TKi/JEd

29 April 2022

Dear Parents/Carers

We wanted to get in touch at the beginning of the summer term to inform you of the reminders we have given to students in assemblies this week.

### **THE CLASSROOM**

We continue with our main focus being what is happening in the classroom. We will be continuing with a focus on high quality student work and the development of subject vocabulary and content. We will also be monitoring closely punctuality to class. To support with students' academic studies, we would appreciate it if all parents could support their child having the correct equipment. As a minimum we recommend two black or blue pens, a pencil, a ruler and a calculator.

### **UNIFORM**

We have always focused on high standards of uniform; however, it is necessary to provide reminders from time to time. We will be focusing this half term on the following aspects of uniform: shirts, ties, skirts and blazers. We would appreciate the donation of any spare uniform your son daughter has grown out of. After the may half term, in anticipation of warmer weather, blazers do not have to be worn in the second half of the summer term.

### **KIND LANGUAGE**

One of our values is that we are kind, and we strongly believe that as a community being kind and courteous to one another is paramount. Therefore, in assemblies this week we have spoken about being tolerant, being kind and the use of appropriate language.

### **PRAISE**

We fully believe that it is vital to celebrate success and we will focus on an increased amount of communication home via praise postcards when students have worked hard or contribute positively to the school values.

I would like to thank all parents in advance for your support with the above and wish you a good bank holiday weekend.

Yours sincerely

T King  
Headteacher
