

Our Ref: KBy/CMc
9th June 2023

Dear Parents / Carers

I hope that you all had a good half term break.

After looking at the feedback from the parental surveys the following will be in place moving forwards:

- Parent evenings will return to face to face, and this will start with the Year 10 parents evening on the 17th of July 2023. The booking process for this will take place through the booking system that has been used for the virtual meetings historically. The details for this will be shared with you in the middle of next week.
- We will also be scheduling into the calendar next academic year, monthly drop ins or information evenings for parents so that we can talk through events that are coming up for example; next Wednesday evening we are running an information evening for Year 10 parents on the mock process and how the year 10 to year 11 year will be structured. 50 parents from the year group have now signed up.
- We have almost finalised the assessment/reporting calendar for next year and those dates will be shared with you.
- We also have a small stock of second-hand uniform at Sybil Andrews. If any parents are interested in purchasing this, please go through the school office. If you are willing to make a donation towards this, please let the office know or send in the uniform with your child.
- It was also raised about the number of supply teachers that we have at Sybil Andrews. At this moment in time, we are one full time member of staff away from being fully staffed for September. We hope to have this arranged quickly.

With best wishes.

Mr K Blakey
Executive Headteacher
