23rd June 2023

Dear parents/carers,

Just a quick end of week message to share with you all. Firstly, to start with a reminder that next Friday is an INSET day across the whole of Unity Schools Partnership, so Sybil will not be open that day. Can Year 10 parents please look to give permission/authorisation for their pupil to attend the taster day next week if they want their child to go. A message about transport was sent out on Thursday of this week.

Can I also say to parents of Year 10 that pupils have been excellent in their mock exams so far. The invigilators for the Art exam stated that the Year 10 artists were the best behaved and hardest working that they have seen in their time here.

Mr Pointon, the new Head of School has been in today to meet pupils, staff and visit lessons. He will join Sybil in September.

Can I also thank those parents that have been communicating with me about how to ensure that effective communication can take place about how to support pupils from home. This has been useful in informing our planning for next academic year.

The Year 7 French trip departs on the 14th of July, and we will be in contact early next week to let you know about a parental information evening for those that can attend.

Pupils were told in line ups this morning and yesterday that blazers and ties are not required next week.

Could I please ask when you are collecting pupils by car that you look to use car parking spaces where available? We will also be in touch with taxi companies who are parking on the bend in the car park to ask them to park in the lay by.

I hope you have a good weekend.

Yours sincerely

Mr K Blakey
Executive Headteacher
