Attendance

Students should be in school 100% of the time where possible.

We, as a school, place high importance on attendance.

- Parents/carers must not book term time holidays.
- Parents to ensure that their children arrive on time for school.
- Parents' responsibility to ensure their children are in school.
- Parents' responsibility to provide medical evidence if required.

If students are persistently absent from school we will work with the family but also work with the Educational Welfare Officer to support good attendance. If the support does not have a positive impact on their attendance we may issue a fine

If your child is ill, call the school attendance team before 9:30 on 01283 413400
