

# **Work Experience – Parent Consultation Evening**

We Are Kind | We Take Responsibility | We Have Courage

# Work Experience - Purpose

Imagine how you would feel to have had the chance to explore a future career, to work with experts, to see what they do and how they got there. Building new contacts and new learning experiences can help you to decide what you want to do after school. The opportunities and feedback you receive can also help in future college, apprenticeship or sixth form applications.

Forms an integral part of your educational experience at the school

We are one of the few local schools who run work experience

# Work Experience – Where to go?

- What are your future goals?
- Network in the Green Careers Fair and annual Careers Fair
- Speak to family, we call this personal networking
- Speak to your tutor or teachers
- Check your local newspaper or local employer websites
- Speak to year 11 students about their work experience

# Work Experience 22-23 – Feedback...

"The work experience programme at SAA has a real positive influence in our student's attitudes towards the reality of work life and the concept of careers."

From Ickworth, National Trust

"Both students have been a pleasure to have join the team with us, they have received their first day on the starter check list on Monday and have completed our evaluation form along with your paperwork at the end of their placement.

As with many students seeing their confidence grow from day one to the last is always so wonderful.

I hope they have both enjoyed themselves, there seemed to be positivity from both. Really glad they chose Ickworth for their work experiences."

# Work Experience 22-23 – Feedback...

From our students:

- "It was really fun working at a school with the young children with disabilities, I have learned a lot about helping them and to making them happy. The teachers and everyone were lovely. I have learned a lot."
- " I have been offered an apprenticeship at the end of my work experience I loved working there in the future."
