13 September 2024

Dear Parent/ Carer,

On Wednesday 9<sup>th</sup> October at 6:00pm – 6:45pm, we will be hosting a short presentation on the year ahead. This is to support Year 11 in their journey throughout their final days at Sybil Andrews Academy. We are aiming to provide information which will enable both parents and pupils to be acutely aware of key dates, revision mechanisms, intervention sessions and post-16 opportunities.

The evening will be split into two parts. A presentation which will last 30 minutes, a subsequent 15-minute Q&A period. The presentation will consist of as follows:

- Introduction to the expectations of Year 11, with an acute academic focus
- Key dates and events in the year
- Upcoming assessment(s)
- Post-16 opportunities, linked to raising aspirations
- How we can work together to achieve the best for all pupils

As we are sure you are aware. Sybil Andrews Academy achieved the 2<sup>nd</sup> best results in Bury St Edmunds this year. We want to continue to raise the bar and strongly believe we can achieve the best results locally and some of the best in Suffolk. This group of young people have such great potential and we very much want to work together to maximise outcomes for them, giving them the best possible future opportunities. We very much look forward to seeing you there. If you cannot attend, materials from the evening will be made available on our website.

Yours sincerely

Mr Ruffell  
Deputy Headteacher

Mr N Hope  
Head of Year 11

Rougham Tower Avenue, Bury St Edmunds, Suffolk, IP32 7QB. T: 01284 413400 E: SAA@sybilandrewsacademy.co.uk
