4th February 2025

Dear Parent/Carers,

I am writing to update you on the leadership arrangements for Sybil Andrews Academy. We are delighted with the progress staff and students have made working under the leadership of Mr Pointon as Head of School working alongside Mr Blakey as Executive Headteacher.

We are confident now is the right time for the school to have a substantive Headteacher from September, Unity Schools Partnership will work with governors and staff to recruit to this post in the summer term so that the successful candidate is able to start in September. Mr Blakey will continue to support the school and leadership team in his Director of Education role working with a number of schools across the trust. We will write to update parents once the selection process is complete, in the meantime Mr Pointon has been appointed interim Headteacher.

Yours sincerely

R Sinclair
Chair of Governors
